New Offering: **THE ALPHA COURSE**

Dear FHPC Family and Friends,

Since the beginning of the current pandemic era, our staff and elders have been prayerfully considering how we can better bring comfort to our quarantined community with the hope of our faith. We know that all around us here in Fountain Hills are many who need Christ more than ever in this time of isolation, and we would love to introduce the faith we share and the church we love to them all.

I am writing today to let you know a very specific way for our entire family to participate together in that loving endeavor.

Please consider this my personal invitation to you **and your friends and neighbors (!!!)** to join us for our upcoming Alpha Course. Alpha is not just designed for church-going Christians; but extends a message of hope for all who are seeking greater meaning in life – *particularly* the unchurched, the uncommitted, and the unbelieving.

I am delighted to share that I am joined in bringing this powerful and embracing initiative to FHPC by our good friend, Rev. Bob Simmons, who has agreed to coordinate this effort for our family and friends. And, recognizing that “a picture is worth 1,000 words,” Bob has furnished a full explanation of our Alpha program in a video available [here](#).
